## ABOUT

A motivated individual with in-depth knowledge of languages and development tools, seeking a position in a growth-oriented company where I can use my skills to the advantage of the company while having the scope to develop my own skills.

## PROJECTS

- **TRMS(Resource Management Software) using Angular + Spring boot | MAY-JUL 2023**  
Implemented resource management system, enabling efficient contract tracking and optimized resource allocation. Led project lifecycle, including requirements gathering, system configuration, and user training. Improved resource utilization and streamlined operations, resulting in enhanced efficiency and project outcomes.
